

REMARKS

In this *Ex parte Quayle* office action, the Examiner has indicated that the present application is in condition for allowance except for an objection to the preamble of claim 1. By this amendment, Applicants have amended the preamble of claim 1 to more clearly incorporate a processor and system memory. No other claim amendments have been made. Accordingly, Applicants respectfully request that the objection to claim 1 be withdrawn and that the application be promptly allowed.

In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, the Examiner is requested to contact the undersigned attorney at (801) 533-9800.

Dated this 22nd day of March, 2010.

Respectfully submitted,
